Ingredients:

Extra Virgin Olive Oil

This Aceitunilla Unfiltered Extra Virgin Olive Oil is robust, extremely fresh, intense and with an exquisite touch of piquant. It's recommended for flavoring plain salads, pasta dishes and grilled red meat. Delicious simply with bread!

Limited and not conclusive scientific evidence suggests that eating about 2 tablespoons (23 grams) of olive oil daily may reduce the risk of coronary heart disease due to the monounsaturated fat in olive oil. To achieve this possible benefit, olive oil is to replace a similar amount of saturated fat and not increase the total number of calories you eat in a day. See nutrition information for saturated fat content.

This Olive Oil can have sediments due to the unfiltered condition. Shake before use.
